A Message to the Federal Community:

It is both an honor and a privilege to serve as this year's Chairperson for the 2006 Combined Federal Campaign (CFC). Our campaign theme is **“Your Gift Will Make a World of Difference”**. As a Federal Community, we have historically given back generously through our CFC donations. This year, as in previous years, your charitable gift will assist many people in need.

As you will remember, over this past year, many of our fellow citizens and fellow federal employees were adversely affected by several devastating natural disasters. In many instances, the charitable organizations supported by your CFC contributions were able to provide some much needed assistance. This support helped to decrease the negative impact on the lives of these individuals and their families.

This year offers another opportunity for you to support this worthwhile cause with your donation. As a CFC donor, you can choose to contribute to one or more charitable organizations that you feel deserve your financial support. As you complete your CFC pledge card, remember that you have an opportunity to donate through payroll deduction or with a one-time lump sum payment.

In closing, let me convey a very heartfelt “Thank You” for your past generosity and encourage you to help make this another successful Combined Federal Campaign. I am very confident that, with your participation, we will succeed. Together, we will continue to make a difference in the lives of those in need. Please know that **“Your Gift Will Make a World of Difference”**.
